Vasai became famous in the 16th century because of the Portuguese. The fort of Vasai was built by the Portuguese in 1536. The fort of Vasai was an important commercial and military base of the Portuguese on the west coast of India. The fort is surrounded by sea water, so the beauty of Vasai fort is revealed. This Vasai fort is spread over a total area of 110 acres. So you must have noticed that this fort is very big in size.

Bassein fort is a fort which is surrounded by sea and swamp on three sides. The fort has two main entrances, one of which opens towards the ground and the other side has a grand rampart. The fort had a very high rampart on all four sides and was over 30 feet high.
